## *From the Committee*

As the netball season and year draws to an end, we take this opportunity to thank all players and families for their support over the past seven months. It is a big task setting up a netball club and it wouldn't be possible without the players whose smiles make it all worth while and support of their family and friends along the way.

Well done to all players, juniors to open age, on outstanding efforts through out the season. As individual players, new skills and friendships have developed to strengthen your personal game and be fantastic team members.

We eagerly look ahead eagerly to our presentation night and wish all teams reaching finals the best of luck for the weeks ahead. If you are in the mood for some great netball viewing, come along and cheer our teams on. You may even catch a glimpse at your coach playing!!!

The committee would like to wish all players and families a fantastic summer and look forward to seeing you in the New Year.

To a great netball season  
& Happy Holidays

### *Uniform Update*

In the fight for a reliable supplier, good quality garments, cost efficiency and a great look, planning is on track for player bodysuits and skirt-top combos to be available at presentation night for uniform fittings. It is our aim to place our order before Christmas to ensure uniforms in time for the Autumn-Winter season start.

We understand this has been a long drawn out process with players eager to have their own uniform and ask for your continued support as the Club negotiates this road – saving us all headaches in the long run.

If you are unable to attend presentation night, Louise will be in contact with you to organise a time for uniform sizing in the busy month of December!
